2005 Camera Phone End-user Survey Analysis

Table of Contents

Executive Summary **5**

Key Highlights **6**
Imaging and Fun Are No Longer the Primary Motivators 6
The Camera is the Most Popular Mobile Application 6
Most Photos Live on the Handset 6
Young Consumers Are the Most Active Users 6
Overall Camera Phone Activity Has Declined 7
A Class of Image-Centric Consumers Has Emerged 7
Camera Phones May Drive Digital Camera Activity 8

Introduction **9**

End-user Study Methodology **9**
Sources of Skew 9
Other Studies Referenced 10

Banner Point Definitions **11**

Banner Point Definitions **11**

Demographics **13**
Demographic Comparison of Camera Phone Owners vs. Non-Owners 17
Demographic Comparison of Image-Centric vs. Non Image-Centric Owners 19
Demographic Comparison of Printers vs. Non-Printers 20
Technology Ownership and Usage 20
Approach to New Technologies *20*
Technology Ownership *21*
Mobile Phone Ownership *24*

Camera Phone Ownership and Usage **28**
Length of Ownership and Impact on Photo Activities 28
Purchase Motivation 29
Camera Phone Brand and Wireless Carrier 32
Personal and Business Use of Camera Phones 34
Place of Purchase 35
Current Monthly Service Plan Package 36
Photographic and Connectivity Technology 38
Most Used Feature on Camera Phones 40
Photo Activity 42
Taking Camera Phone Photos *44*

Sharing Camera Phone Photos ... *46*
Saving Camera Phone Photos ... *48*
Viewing and Transferring Camera Phone Photos ... *50*
Printing Camera Phone Photos ... *51*
Whether User Satisfaction Meets Expectations ... *56*

Camera Phone and Digital Still Camera Comparison ... 57
Digital Camera Resolution ... 58
Digital Camera Photo Activity ... 59
Types of Photos Taken with Camera Phone and Digital Camera ... 61
Camera Phone and Digital Camera Print Locations ... 63
Impact of Camera Phones on Digital Camera Usage ... 66

Non-owners ... 69
Purchase Consideration ... 69
Potential Usage Behavior ... 72

Future Camera Phone Requirements and Usage ... 73

Use of Online Photo Services ... 76

Conclusion ... 80

List of Figures

Figure 1: How has your digital camera purchase timeframe changed since owning a camera phone? ... 8
Figure 2: Which of the following categories includes your age? ... 13
Figure 3: What is your gender? ... 14
Figure 4: Which state do you live in? ... 14
Figure 5: Which of the following categories includes your total annual household income? ... 15
Figure 6: What ages are the children under 21 living in your household? ... 15
Figure 7: Which of the following best describes you as a photographer? ... 16
Figure 8: Camera Phone Owners vs. Non-owners; Average Age ... 17
Figure 9: Camera Phone Owners vs. Non-owners; Type of Photographer ... 19
Figure 10: Which of the following best describes your personal approach to new technologies? ... 21
Figure 11: Which of the following do you have in your home? ... 21
Figure 12: What type of Internet connection do you have at home? ... 22
Figure 13: What types of cameras do you own? Which type do you personally use most often? Which do you plan to purchase in the next 12 months? ... 23
Figure 14: What type(s) of the following printers do you have in your home? ... 23
Figure 15: Please indicate which type of cell phone you primarily use right now. ... 24
Figure 16: How many people in your household are currently using a camera phone (including yourself)? ... 24
Figure 17: Approximately how much did you pay for the cell phone you primarily use (excluding the monthly service)? ... 25
Figure 18: How often do you purchase or receive a new cell phone? ... 26
Figure 19: When you selected your cell phone, what were the THREE most important features that influenced your decision? ... 27
Figure 20: How long have you owned your current camera phone? ... 28
Figure 21: Which of the following best describes the camera phone you currently use? ... 29
Figure 22: What originally motivated you to purchase/obtain your first camera phone? ... 30
Figure 23: Why did you buy/obtain a new camera phone? ... 31
Figure 24: What is the brand of your camera phone? ... 32
Figure 25: Who is your wireless carrier? ... 33
Figure 26: Was your camera phone originally bought for personal or business use? ... 34
Figure 27: What type of business or job are the images taken with your camera phone used for? ... 34

Figure 28: Where did you purchase your camera phone? 35
Figure 29: What type of payment plan do you have for sending/receiving photos and or video? 36
Figure 30: How much EXTRA per month do you spend for the ability to send/receive photo or video messages? 37
Figure 31: How much EXTRA per month does your bundled package cost? 37
Figure 32: How many megapixels does your camera phone have? 38
Figure 33: Which of the following features does your current camera phone have? 39
Figure 34: What type of memory card do you primarily use with your camera phone? 39
Figure 35: Please indicate how frequently you use the following features on your camera phone. 40
Figure 36: What is the one feature you use most often on your camera phone, besides making or receiving phone calls? 41
Figure 37: On average, how many photos do you take at one time for each event or occasion? 44
Figure 38: On average, approximately how many photos do you TAKE every 3 months? (mean including 0) 45
Figure 39: Approximately what percentage of your camera phone photos do you SHARE with others or SEND electronically? (mean including 0) 46
Figure 40: Approximately how many camera phone pictures have you shared or sent over the past 3 months? (mean and median including 0) 47
Figure 41: Why are you not sharing more pictures from your camera phone? 48
Figure 42: On average, how long do you save the majority of your camera phone photos for? 48
Figure 43: Approximately what percentage of your camera phone photos do you SAVE in electronic form? (mean and median including 0) 49
Figure 44: Approximately how many camera phone pictures have you saved over the past 3 months? (mean and median including 0) 49
Figure 45: How do you view your camera phone photos? 50
Figure 46: How do you transfer images from your phone to your PC? Please write in the percentage of photos transferred via each method. (mean and median including 0) 51
Figure 47: Have you ever printed your camera phone images? 52
Figure 48: Approximately what percentage of your camera phone photos do you PRINT? 52
Figure 49: At which locations do you print your camera phone photos? 53
Figure 50: At which location do you print your camera phone photos most often? 53
Figure 51: Approximately how many camera phone photos did you print over the past 3 months? (mean and median including 0) 54
Figure 52: Why are you not printing more photos taken with your camera phone? 55
Figure 53: In the next two years, do you think that your camera phone print volume will change? (Mean: 1=Decrease significantly; 3= No change; 5=Increase significantly) 56
Figure 54: How satisfied are you with the following aspects of your camera phone? (Mean: 1=very dissatisfied; 3=neutral; 5=very satisfied) 56
Figure 55: How many megapixels does your digital camera have? 58
Figure 56: On average, approximately how many DSC photos do you TAKE every 3 months? 59
Figure 57: Percentage of DSC photos taken that are saved, shared, and printed 60
Figure 58: What three subjects do you personally take pictures of most often with your camera phone/digital camera? 61
Figure 59: What do you do with the photos that you print? 62
Figure 60: Comparison of print location for camera phone and DSC photos 63
Figure 61: On average, how many digital camera photos did you print at each location over the past 3 months? 64
Figure 62: Comparison of print volume for camera phone and DSC photos by location (means and medians per month, including 0s) 65
Figure 63: Please indicate how owning or using a camera phone has affected your DIGITAL CAMERA usage. 66
(Mean: 1=Declined significantly; 3=Stayed about the same; 5=Increased significantly) 66
Figure 64: If the image quality of a camera phone was equal to that of a DSC, which statement would be most true for you? 67
Figure 65: How soon do you think you will purchase a standalone digital camera? 68
Figure 66: How has your digital camera purchase timeframe changed since owning a camera phone? 68
Figure 67: Have you ever considered buying a camera phone? 69
Figure 68: Please indicate why you haven't purchased a camera phone yet 70

Figure 69: Will you purchase a camera phone as your next mobile phone? 71
Figure 70: How soon do you think you will purchase a new camera phone? 71
Figure 71: Would you primarily use the camera phone for… 72
Figure 72: Which of the following photo-related activities would you be interested in doing with a camera phone? 72
Figure 73: What are the top three features of a camera phone that are most important to you? 73
Figure 74: For a future camera phone that offers images you consider to be good enough to print 4” x 6” prints, please indicate how much value you place on the following features. Please distribute 100 points across the five features. 74
Figure 75: Assuming that camera phones become available that offers images that you consider to be good enough to print 4” x 6” prints, how interested would you be in easily printing these pictures from the following locations? 75
(Mean: No interest=0, Moderate=2, Very high interest=4) 75
Figure 76: What is the most you would be willing to spend on a camera phone that takes higher quality pictures (good enough to print 4” x 6” prints)? 76
Figure 77: Have you ever uploaded DIGITAL CAMERA photos to an online photo service for sharing, storage, or printing? 77
Figure 78: What is the brand or name of the online photo service you upload your digital camera photos to most often? 77
Figure 79: Would you be interested in using an online photo service to share, store, or print your camera phone images? 78
Figure 80: What are the TOP THREE reasons that you would upload camera phone photos to an online photo service? 79
Figure 81: How would you prefer to transfer images from your camera phone to the online photo service? 80
