Project Objectives **4**
Project Objectives **5**
Methodology **6**
Executive Summary and Recommendations **8**
The Label Industry – Overview and Outlook **10**
The Label Industry – Overview and Outlook **10**
By Michael Fairley, Managing Director, Label & Labelling Consultancy (UK) 10
Conventional Label Press Technology Changing 10
Market Factors Driving Change 11
Label Types, Explained 11
Factors in the selection of labels 12
Global Label Market Value, Volume 13
Regional Volume Growth 14
Growth by Label Type 16
Wet Glue/Paper Down, Film Up 17
Self Adhesive Up 17
Label Types in Emerging Markets 19
Label Converters, Estimated 20
Label Industry Suppliers, Estimated 21
Label market trends and issues **22**
Label materials trends 22
Growth of films *22*
Growth of variable information printing 22
Security and brand protection materials 23
Label Technology Trends **25**
Digital design, artwork and reproduction 25
Digital to Plate and Sleeve 25
Direct-to-press or on-press digital imaging 26
Press and Process Trends 26
Rise of UV Flexo 27
Growth of Combination Process Printing 27
Servo drive technology 28
Trend to Short-run, Quick-Change Presses 28
Quality Control and Performance in Label Printing 29
Digital Printing 30
Label user trends 30
Added value solutions 31
Shorter runs, more versions 31
Better management of supply chain 31
Digital Printing and the Label Industry **32**
Print on Demand Label Press Evolution 32
Conventional Press Manufacturers Fight Back 33
Digital press manufacturer changes 33
Ink jet printing *34*
Justifying digital printing 34
Driving forces in the use of digital printing 35
Print on Demand Label Presses: Status and Prospects **36**
POD Label Presses Defined 36
History of Current Installed Base 38
Reasons for POD Label Presses, and for Their Growth 39
Market Factors Favoring POD Label Presses 41
Big Brands vs. Private Brands 41
Influence of Consumer Trends, Fads 41
Factors Constraining POD Label Presses 43

Regional Factors, Favoring and Constraining 43
POD Label Press Market Estimate and Forecast 44
Label Converter Survey Results 56
Appendix 111
